Mr. Ross Pilkington
Kent Security of Palm Beach
2310 W. Oakland Park Blvd.
Ft. Lauderdale, FL 33311

Dear Mr. Pilkington:

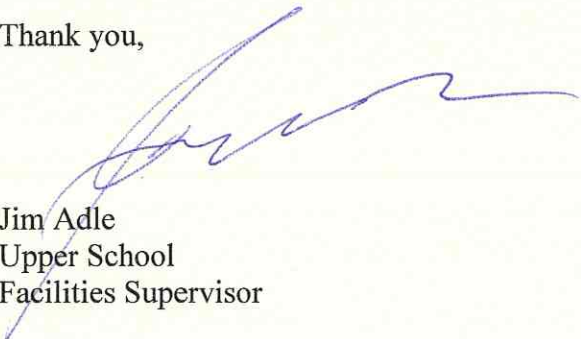

I am writing to you to express special commendation of Kent Security Officer Joseph Murphy for his professionalism and experience in dealing with this week's "Code Yellow" lock-down incident. He communicated seamlessly between school officials and local law enforcement agents and kept The Benjamin School well informed of the latest information available to him.

Officer Murphy's 20 year experience in law enforcement was invaluable yesterday as he acted as liaison between The Benjamin School, Palm Beach County Sherriff Department, and Palm Beach Gardens Police Dept. He relayed up to the minute information to Mr. Clark and I so that we were able to keep the administration abreast of the event as it unfolded.

Upon apprehension of the suspect, the upper school was able to change status to code green in less that 5 minutes thanks to officer Murphy's diligence and timely reporting.

In conclusion, Officer Murphy is a valued member of the security team at The Benjamin School and we appreciate his dedication to duty.

Thank you,

Jim Adle
Upper School
Facilities Supervisor
