Dear Mr. Neuman:

On behalf of the Consulate General of Israel to Florida and Puerto Rico and the Government of the State of Israel, I would like to convey our deepest gratitude for the outstanding cooperation that you and your staff provided during our Independence Day celebrations last April 16th and 21st.

It was a great pleasure to work with such skilled and qualified personnel such as those working for Kent Security. Thank you for helping to ensure a safe evening for our community.

I am looking forward to working with you all again in the near future.

Best regards,
