Dear Gil,

On behalf of the Jewish Federation of Broward County, I want to express our deepest thanks and gratitude to you and your organization with respect to the security that was provided by your staff at Israel60.

We worked collectively for many months on these issues and it all came together on the day of the event where we did not have any issues of a serious nature, and every instance where a Kent security officer was needed, they were present and highly professional.

Please thank both Shelton and Jakob on our behalf as well for their leadership.

With thanks,

Adam Bronstone  
Director, Jewish Communal Planning & Research
