Kent Security Services

North Miami Beach, FL 33160

Dear Mr. Blackwell:

The Pembroke Falls Homeowners Association would like to bring to your attention the actions of one of your employees assigned to this community that has gone above and beyond his job description.

On Monday June 26, 2006 Colonel Steve McGann was summoned to a home to take a report of a stolen bike. While later patrolling the community, Colonel McGann observed the bike and photographed it. After confirming that it was indeed the reported stolen bike, Colonel McGann was able to return it to its rightful owner.

It is proactive measures like these as demonstrated by Colonel McGann that makes him an asset to the community of Pembroke Falls.

We would like Colonel McGann to be considered for any program that Kent Security Services has that recognizes exemplary performance by their employees.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

For the Board of Directors

Brian Seidler, C.A.M.
