RE: Many Thanks to our Guard Captain

Dear Bill,

I would like to take the opportunity to thank your Post Captain, Marc. I've had numerous homeowners call and thank me for his diligence and constant follow through. Many of the homeowners have been worried about recent break-ins, and I'm very appreciative of his hard work.

He communicates on a daily basis with our office, and we could not ask for more. Thanks again!

Sincerely,

Marlene Masson
Executive Assistant
Ponte Vecchio Board of Directors
