Dear Mr. Gil Neuman

On behalf of the FL ESGR Committee, we want to take this opportunity to thank you and Kent Securities Services for the support you are providing your employees that are also members of the Guard and Reserves. Your continued support is paramount to the well being of these Service Members and their Families. Your support is also of vital importance to the accomplishment of the military requirements that face our Nation.

We understand the sacrifices you, your company and co-workers are going through and all of you are to be commended. Please accept our deepest thank you and appreciation! You are also setting the example for other businesses/organizations to follow. I can attest first hand, your support sends a loud and clear message to those serving in faraway places that the business community cares and appreciates their service.

Thank you for taking your valuable time to join us at the Awards ceremony in Tampa and giving us the opportunity to say Thank You! You are making a difference. It will take all of us pulling together to get through these difficult times.

Very respectfully,

A handwritten signature in cursive script that reads "Phillip R. Speake".
