To Whom It May Concern:

We here at SoCo Urban Lofts highly recommend Kent Security Services. Since our initial meeting they have been very professional and responsive to our security needs. David and John are experts in this business and it shows. Not only I have been impressed with their services from a management standpoint, but our homeowners have been as well. We have gotten extremely positive feedback commenting on how professional and courteous the guards are at all times. Kent Security goes above and beyond our expectations to provide a level of service that is unparalleled. We are so glad to have the opportunity to work with them, and we look forward to continuing to work with them in the future!

Sincerely,
