Kent Security Services
14600 Biscayne Boulevard
North Miami Beach, Florida 33181

Dear Jerry,

On behalf of Temple Emanu-El, I would like to take this opportunity to thank you for your extra help in securing protective services for Temple Emanu-El and the Jewish Community on the evening of July 29, 2006 during our emergency campaign for the Israel Defense Forces.

As you know, it is at uncertain times like these, that we are fortunate to be in the United States surrounded by special people like yourself. We rely on Kent for our security and the extra calls you personally made for our protection to the Miami Beach Police are greatly appreciated. Working with both you and Jacob Akselman gives us confidence that we have chosen the correct security services.

Once again, thank you. We are ready to begin discussions about the High Holidays with Kent. We welcome your expertise in these decisions and count on your personal suggestions. Please do not hesitate to call me at 305 557 3000 or call our Executive Director, Randa Marder at 305 538 2503, #6 and if necessary, we will arrange to meet at your convenience.

Sincerely,

Jerry A. Jacobs
President
