To Whom It May Concern:

This letter is to offer my highest recommendation of the Kent Security Services. This company came to offer their services to the Presidential Estates Homeowners Association, Inc. in March of 2003. Since that time we have had excellent response to any problem that arose within our community, there are open lines of communication whether by fax, email, or phone someone is always available and helpful to our management staff and homeowners. If you need any further assistance or information please feel free to contact me personally at 305-796-5549.

Sincerely,  
(For the Board of Directors)
