Mr. Jacob Akselman  
Kent Security  
14600 Biscayne Blvd  
North Miami Beach FL 33181

Dear Mr. Akselman:

I take this opportunity to commend Kent Security on the superlative quality of your staff. On behalf of Rabbi Alan Ciner, the head of our school, as well as our students, faculty and administration, I wish to express our gratitude for the professionalism, courtesy, and service provided by Ms. Orly Notis and Mr. Adam Katz in particular.

We have worked with Ms. Notis for several years now, and she has maintained the highest standards of security and personal conduct on our campus, providing protection with invariable good cheer. She has also trained Mr. Katz over the last year, and he shows excellent promise as well, following her positive example. On numerous occasions they have gone beyond the call of duty to ensure that our college community is safe at all times.

This past Friday I was reminded just how valuable Ms. Notis and Mr. Katz are to our institution. One of our staff members, Mr. Michael Levin, unfortunately lost his father to a sudden heart attack. We closed the school in order to allow faculty and staff to attend the funeral, and as a result we did not require security on campus. I was deeply gratified to see, however, that Ms. Notis and Mr. Katz both elected to attend the funeral on their own time. They demonstrated once again that their commitment to the well-being of Touro College South extends beyond the duties that one might reasonably expect of an ordinary security guard. This is certainly a testament to the high ideals of Kent Security and its staff.

With gratitude,

Henry Abramson, PhD  
Dean of Academic Affairs and Student Services
