Subject: Letter of Recommendation

To Whom It May Concern:

The purpose of this letter is to commend Adoni Kokkinos and Kent Security for the quality of service they provided to the Elections Office throughout the 2008 Election Cycle. Kent Security was an integral vendor during our busy 2008 Election Cycle. The steps performed by Adoni and his team at Kent Security helped to ensure our Early Voting processes ran smoothly and securely.

Adoni and his team were responsible for picking up and securely delivering ballots each morning to seven different early voting sites throughout Collier County for a two week period. They were also tasked with picking up the voted ballots each evening from the seven different early voting sites and delivering them to the Supervisor of Elections main office.

As Collier County's Supervisor of Elections, I highly recommend the services of Adoni Kokkinos and his professional team at Kent Security.

Sincerely,

Jennifer J. Edwards
Supervisor of Elections
